

# ALLERGENS & ADDITIVES

## DEAR GUEST,

With this allergen information card, we provide you with information about **the allergens and additives** contained in our food and drinks.

Unfortunately, we cannot rule out 100 % cross-contamination from a wide variety of ingredients in our kitchen. Traces of gluten-containing grains, egg, peanuts, soy, milk, tree nuts, celery, mustard, mollusks, fish, lupins, crustaceans, sesame, and sulfites may be present in all products.

A = contains soy

B = contains milk (lactose-free)

B+ = contains milk (incl. lactose)

C = contains egg

D = contains sesame seeds

E = contains peanuts

F = contains mustard

G = contains cereal with gluten:

(g) = barley, (h) = oats,

(r) = rye, (w) = wheat

H = contains nuts:

(c) = cashew, (h) = hazelnut,

(m) = almond, (p) = Pistachio

(w) = walnut

I = contains fish

J = contains celery

K = contains sulphur dioxide and sulphites

L = contains crustaceans

M = contains molluscs

N = contains lupine

1 = contains colorants

2 = contains antioxidants

3 = contains preservatives

4 = contains nitrite curing salt

5 = contains sweeteners

6 = contains a source of phenylalanine

7 = contains caffeine

8 = contains quinine

9 = contains phosphate

## **VEGAN & VEGETARIAN**

Our labelling is based on the guidelines for vegan and vegetarian foods, which also take into account additives and processing aids. We only use vegetable frying oil and only fry vegan and vegetarian food in our deep fryers.
